MESSAGE FROM THE DIRECTOR OF CAMPUS SAFETY

The information provided in the Annual Security Report is a requirement of the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistic Act. The overall goal is to inform and educate the full campus community about safety. This includes steps each one of us can take to ensure our own personal safety. I invite and encourage the full campus community to read the information in this report and practice suggestions for your own personal safety. You can find the report at [http://campussafety.fullcoll.edu](http://campussafety.fullcoll.edu) Click on the Annual Security Report.

Fullerton College has a long history of providing a safe and secure learning environment for staff, students and visitors. We are a very diverse campus community with varied interest. When you visit the campus, you will see people enjoying the many activities this campus offers. It may range from a science fair, debate contest, theater event or a competitive sporting event. The activities are wide-ranging and enrich the educational experiences of our active students and our staff. Behind each activity is the planning and hard work of our Campus Safety Department. Campus Safety officers are on campus twenty four hours a day, seven days a week to provide support services to anyone on campus. Please feel free to call us at 714-992-7080, extension 0 if you need assistance.

Fullerton College has low incidents of crime on campus. Part of that is due to the continued vigilance of staff, students and visitors. We also enjoy a great professional relationship with Fullerton Police Department who will respond promptly to any crime on campus. In closing, it is helpful to remember one of our core values, “We value the well-being of our campus community.”

Sincerely,

Steven Selby
Director of Campus Safety
Purpose of the Clery Annual Security Report for 2018

The Clery Act requires colleges and universities to do the following:

- Publish an annual report every year that contains three years of campus crime statistics and certain campus security policy statements.
- Publish crime statistics for the campus and remote classrooms. The statistics must be gathered from campus police or security, local law enforcement and other university officials having significant responsibility for student and campus activity.
- Publish timely warning notices where crimes have occurred on or near campus that, in the judgment of the Campus Safety Department, constitute an ongoing or continuing threat to the members of the campus community.

The Campus Safety Department is responsible for preparing the annual report. The Campus Safety Department works with the Fullerton Police Department to gather crime statistics that are part of this report. The campus community is encouraged to use this report as a guide for safe practices on the campus. The report is available on the Fullerton College Campus Safety Department web site. Anyone desiring a printed copy of this report can contact the Campus Safety Department, 321 East Chapman Ave., Fullerton, California 92832, 714-992-7080, ext. 0.

Fullerton College Campus Safety Department

The Campus Safety Department will employ community oriented security principles, problem solving techniques and other appropriate methods that will fit within and contribute to the educational philosophy and processes of the District. Campus Safety officers are responsible for
providing the safest possible environment within the scope of their authority, training, job duties and abilities.

**Law Enforcement Authority and Interagency Cooperation**

Campus Safety officers are not sworn peace officers. Campus Safety officers enforce parking regulations and college regulations and board policy. Campus Safety officers complete incident reports on crime incidents and violation of college regulations or board policy.

Fullerton College has a Memorandum of Understanding (MOU) with the Fullerton Police Department to handle crime related reporting and investigations on the Fullerton College campus.

Fullerton Police Department should be notified immediately of any armed combatants on campus. Fullerton Police Department can be reached at 714-738-6800 or by dialing 911. After Fullerton Police Department is notified, then notify the Campus Safety Department at 714-992-7777.
Access to Campus Buildings and Facilities

Most campus buildings are open from 6:30 AM to 10:30 PM, Monday through Friday. On weekends, buildings are opened based on scheduled use or special events. Fullerton College staff and students may have been issued identification cards. Campus Safety personnel may ask you to produce your identification if there is a question about authorization to be in a building.

Staff members, who require access to buildings during off-hours, should contact Campus Safety for access and notification. Some campus rooms may be protected by intrusion alarms. Staff should notify Campus Safety Department before entering those areas. Campus Safety Department will unlock areas designated by the room reservation schedule.

Safety of College Property

No district property may be removed from the campus without expressed written permission from the division dean or area supervisor. Unauthorized removal of district property, from the campus, is a violation of the law and the involved individual may be prosecuted by the district.

Emergency Notification and Timely Warning Notice

Emergency Notification is made to the campus community upon confirmation of a significant emergency or dangerous situation involving an immediate threat to the health and safety to staff or students. Some examples may include earthquakes, terrorist incident, explosion, extreme weather conditions or hazardous material incident.

Timely Warning is a warning of certain Clery reported crimes that are a continuous and ongoing threat to the campus community. The intent of the warning is to enable members of the campus community to protect themselves.
In the case of a serious or ongoing threat to any campus community of the North Orange County Community College District, as approved by a designated District/campus authority and in accordance with the Jeanne Clery Disclosure of Campus Security and Campus Crime Statistics Act, a “timely warning” or “emergency notification” will be prepared and distributed to students, staff, and faculty, without delay. These alerts may be used to seek information that could lead to arrest and conviction of an offender when violent crime against persons or substantial property crime has been reported.

The information may be disseminated in various forms, including one or more of the following: MyGateway, email, text messages, web and social media postings, warning flyers, phone alerts and PA announcements.

Every attempt will be made to distribute the timely warning or emergency notification within a reasonable amount of time after the incident is reported to the District/campus; however, the release is subject to the availability of accurate and confirmed facts concerning the incident and investigation restraints.

Anyone with information warranting a timely warning or emergency notification should report the circumstances to the Campus Safety Office or to other appropriate campus authority. When a determination has been made that a timely warning/emergency notification should be issued, Campus Safety, the Campus Public Information Officer and other appropriate District/campus administrators will work collaboratively to ascertain methods of informing the campus community of the incident and to craft an official message. A release will typically include the following information, if known:

- A succinct statement of the incident.
- Any connection to previous incidents.
- The nature and severity of the threat.
- Location of the incident and persons who might be affected.
- Physical description or composition drawing of a suspect, if appropriate.
- Date and time the alert was released.
- Other appropriate safety steps/tips.
The authority for the issuance of a timely warning or emergency notification rests with the following authorized administrators only.

- The Campus/District PIO.
- CEO (President/PROVOST/Chancellor/designee).
- Campus Safety Office.

Ideally, before a message goes out, several top-level administrators will have been consulted, including the campus President/Provost, Campus Safety Director, with the District/Campus PIO actually crafting the message and sending it out. (Other staff may also be consulted as the need arises.) In cases where immediate action needs to be taken, though, any authorized administrator may act independently.

NOTE: If a Timely Warning or Emergency Notification is released, the campus administrator responsible for the message must make sure to send a copy to the District Director of Public Affairs, who will be responsible for relating the appropriate information to the Chancellor and Board of Trustees, and all other PIO’s.

**Emergency Preparedness**

The Campus Safety Department plays a central role in the preparation and management of campus emergency preparedness. The Campus Safety Department coordinates the training of all Building and Floor Evacuation Marshals. The Campus Safety Department coordinates mock evacuation drills of the entire campus. The Campus Safety Department manages the active shooter drill on campus. The Campus Safety Department manages the emergency radio system on campus. Members of the Campus Safety Department participate in the college’s Emergency Operations Center which is guided by National Incident Management System (NIMS) and the Standardized Emergency Management System (SEMS) protocol.

Crime Reporting Procedures (Policy Statement)

Campus safety is everyone’s responsibility at Fullerton College. Students, faculty, staff and visitors are partners in creating an atmosphere that is safe and conducive to learning. Emergency call boxes are located throughout campus and will connect the caller directly to Campus Safety. (Map of locations of emergency phones is located on page 27). Reporting of a crime can also be accomplished by contacting Fullerton Police Department. The Fullerton Police Department is located at: 237 West Commonwealth Fullerton, CA 92832, 714-738-6800. Fullerton College has an MOU with Fullerton Police Department to investigate all crimes on campus.

Crime Log

Crime log entries include all crimes reported to the Campus Safety Department for the geographic area of the campus. The crime log is posted in the lobby of the Campus Safety Department, Building 1500.

Emergency Procedures

Addressing Disruptive Student Behavior

These emergency procedures are intended for use in acute situations. Acute situations are severe, intense and sudden. On the other hand, chronic situations are continuous, over a period of time and should be dealt with according to the NOCCCD Policy, AP 55003.1.1 for students.

Responding to Disruptive or Threatening Behavior

Dealing with individuals who are upset, angry or appear to be under the influence of drugs or alcohol can be a frustrating or even frightening experience. Such behavior may disrupt normal work activities and cause those responding to feel defensive or threatened. The following information will help you respond to such incidents:

- Call Campus Safety at 714-992-7777. For life threatening situations call 911.
- Do not attempt to intervene physically or deal with the situation yourself. It is critical that Campus Safety take care of any disruptive or threatening incident.
- Do not aggravate, annoy or approach the individual. Try to stabilize the individual by speaking in a low and calm non-threatening voice.
- Maintain a safe distance; do not turn your back.
- Leave the room or leave the area if the situation escalates. Get yourself and others to safety as quickly as possible.
- Unless you are physically attacked, do not touch the individual.

**General Emergency Procedures for Fire, Power Failure, Bomb Threat, or Earthquake**

In the event of a major emergency on campus, the Incident Command Center (ICC) will be activated at the Campus Safety Office located in the 1500 building, phone (714) 992-7777 or Ext. 27777. The Officer-In-Charge of Campus Safety will assume command.

Notifications:

1. Call Campus Safety to identify emergency.
2. For fire, pull fire alarm.
3. Campus Safety will initiate emergency notifications to administrative staff and outside agencies.
4. Alert Campus Safety to aid in evacuation of physically disabled persons.
5. Staff and/or Campus Safety will evaluate the situation and take appropriate steps to insure a safe and timely evacuation.

- Fire: Identify a safe exit route and exit building.
- Bomb Threat: Notify Campus Safety and Maintenance and Operations.
- Power Failure: Notify Campus Safety and await instruction.
- Earthquake: Remain calm, drop, cover, hold, and prepare to evacuate building.
- Staff shall instruct students to gather all belongings prior to evacuation, if time permits.
- If Campus Safety is not available, staff will assess the emergency and, when appropriate, direct people to exits.
6. Campus Safety will work with administrative staff to determine whether classes will be dismissed.

7. Direct people to nearest safe exits and evacuation routes, when appropriate.

When Calling For Help

Fullerton Fire Department: 714-738-6122.

Fullerton Police Department: 714-738-6800.

Police and Fire Department Emergencies: 911.

Campus Safety Department Emergency: 714-992-7777.

1. Give your name.
2. Give the building number and room number or other specific location. (This is crucial because the emergency dispatcher phone may not necessarily display the same information).
3. Give the phone number from which you are calling, including the extension number.
4. Describe the situation or victim's condition clearly and accurately.
5. DO NOT HANG UP! Let the person you are talking to end the conversation; other information may be needed.

FOR POWER OUTAGE CALL CAMPUS SAFETY FIRST.

Evacuation

Some emergencies may require evacuation of the building. In this event:

- Verbal notice or fire bells will be used to sound the evacuation.
- Remain calm and orderly: Walk quickly but do not run. See "Evacuation of Disabled Persons."
- Follow instructions of the Campus Safety or other emergency personnel.
- Seek out and give needed assistance to any disabled persons in the area.
• If time permits, turn off the power to all electrical equipment and close doors.
• Exit using the stairway. Do not use elevators.
• Go to an open, outside area away from the building as identified on evacuation color chart. Keep roadways and walkways clear for emergency vehicles.
• Wait for instructions. Do not reenter the building until instructed to do so by the Campus Safety or other emergency personnel.

Non-ambulatory persons (persons in wheelchairs):

There are many considerations when moving a person in a wheelchair. Wheelchairs have movable parts; some are not designed to withstand the stress of lifting. You may have to remove the chair batteries. Life-support equipment may be attached. Lifting a person with minimal ability to move may be dangerous to their wellbeing. Always consult with the person in the chair regarding:

• The number of people necessary for assistance.
• Ways of being removed from the wheelchair.
• Whether a seat cushion or pad should be brought along if he/she is removed from the chair.
• Whether to extend or bend extremities when lifting because of pain, catheter, leg bags, prosthesis, braces, etc.
• Ability to be carried forward or backward on a flight of stairs.
• The type of assistance necessary after evacuation.

Evacuation of Disabled Persons

Visually impaired persons: Tell the person the nature of the emergency and offer to guide him/her to the nearest emergency exit. Have the person take your elbow and escort him/her.

Hearing-impaired persons: To warn an individual, get the person's attention with a gesture or a light tap on the arm or shoulder, and either write a note telling what the emergency is and the nearest evacuation route, or gesture to indicate that the person should come with you. An example of a note: "Fire—go out the back door, turn right and go down, now!"

To warn a group, get the group's attention by flashing the room lights on and off—then gesture to indicate that the group should come with you. If there is a chalkboard on which you can write a note that all can see, use it.

Persons using crutches, canes or walkers: Carrying options include using a two-person, locked-arm position or having the person sit in a sturdy chair, preferably one with arms.
Disabled persons not able to evacuate: Advise the disabled person that you will notify Campus Safety and that an officer will respond to assist him/her with their evaluation.

**Power Outage**

- If evacuation of the building is required, exit using the stairway. Do not attempt to use elevators. Seek out any disabled persons and provide assistance if possible.
- Laboratory personnel should secure experiments or activities that may present a danger with the electrical power off or when it is restored unexpectedly. Notify the lab supervisor immediately and contact the site administrator if a specific hazard exists. If there are special procedures you wish to have carried out in the event of a future power outage, make prior arrangements with Physical Plant/Facilities or Campus Safety.
- When mechanical ventilation is interrupted, chemical vapors may reach hazardous concentrations. To avoid this, use natural ventilation and clean up or put away chemicals and close containers. If this is not possible, evacuate and prevent persons from entering until power is restored.

If people are trapped in an elevator:

1. Tell the passengers to stay calm and that you will get help.
2. Call Campus Safety, 714-992-7777.

**Bomb Threat**

If you receive a bomb threat over the telephone, remain calm and ask:

1. When is it going to explode?
2. Where is it right now?
3. What does it look like?
4. What kind of bomb is it?
5. What will cause it to explode?
6. Did you place the bomb? When? Why?
7. Where are you now?
8. What is your name? Phone number? Address?
9. Pay attention for, and take notes about:
- Exact wording of call.
- Background sounds/noises.
- Describe the caller's voice.
- Did you recognize the voice?
- Describe the language used. Well spoken? Irrational? Foul?
- Your thoughts.

Call Campus Safety, 714-992-7777.

**Explosion**

In the event of an explosion in the building, employees should take the following actions:

1. Immediately take cover under tables, desks or other such objects which will give protection against flying glass and debris.
2. After the effects of the explosion have subsided, call the Campus Safety, 714-992-7777.
3. If necessary, activate the building alarm system.
4. Evacuate the immediate area of the explosion.
5. Seek and assist injured and disabled persons to evacuate the building. Exit using the stairway. Do not use elevators.
6. Once outside, move at least 150 feet away from the affected building. Keep roadways and walkways clear for emergency vehicles.
7. Wait for further instructions from Campus Safety or other emergency personnel. Do not reenter the building until they instruct you to do so.

Call Campus Safety 714-992-7777 and your site administrator.

You will be given instructions by your site administrator and/or Campus Safety.

In the event you are instructed to evacuate, mentally note anything in your area that appears out of place or suspicious, and report it.

**Fire**

Know the location of fire extinguishers in your area and how to use them.

Upon discovery of a small fire, call the Fire Department, 714-738-6122.

1. Immediately call Campus Safety, 714-992-7777.
2. If an appropriate fire extinguisher is available, follow the instructions on it, directing it at the base of the flames.
3. Get help, if necessary.
Upon discovery of a large fire, call the Fire Department:

1. Pull emergency alarm and give verbal alarm.
2. Call Campus Safety, 714-992-7777.
3. Evacuate the building, alerting people as you go. Seek and assist any disabled persons in the area. Exit using the stairway. Do not use elevators to evacuate.
4. Make sure all doors leading to the main hallways are closed to prevent further spread of fire. Do not lock doors.
5. Once outside, move to an open area at least 150 feet away from the affected building. Avoid inner courtyards. Keep roadways and walkways clear for emergency vehicles.
6. Wait for further instruction from Campus Safety or emergency personnel. Do not re-enter the building until instructed to do so. If someone's clothes are on fire, have them drop to the floor and roll. Smother the fire with a blanket, rug or heavy coat. Call for help. Administer first aid.

Earthquake

During an earthquake:

1. Drop, cover, and hold on.
2. Stay in the building. Do not evacuate.
3. Take shelter under tables, desks, in doorways and similar places.
4. Keep away from overhead fixtures, windows, filing cabinets and bookcases.
5. Assist any disabled persons in the area and find a safe place for them.
6. If you are outside, stay outside. Move to an open area away from buildings, trees, power lines and roadways.

After an earthquake:

1. Check for injuries; give or seek first aid.
2. Check for safety hazards; fire, electrical, gas leaks, water supply, etc.
3. Do not use telephones and roadways unless necessary. Keep them open for emergency use.
4. Be prepared for aftershocks.
5. Cooperate, keep informed, remain calm and help clean up.

If evacuation is ordered:

1. Seek out any disabled or injured persons in the area and give assistance, exit using the stairway. Do not use elevators.
2. Beware of falling debris or electrical wires as you exit.
3. Go to an open area at least 20 feet away from buildings, trees, power lines and roadways.
4. Wait for further instructions from emergency personnel.

- Dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse.
- Dating violence does not include acts covered under the definition of domestic violence.

**Stalking** is defined as engaging in a course of conduct directed at a specific person that would cause a reasonable person to—

- Fear for the person’s safety or the safety of others; or
- Suffer substantial emotional distress.
- **Course of conduct** means two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person’s property.

Lack of protest or resistance does not mean consent, nor does silence mean consent. Affirmative consent must be ongoing throughout a sexual activity and can be revoked at any time. The existence of a dating relationship between the persons involved, or the fact of past sexual relations between them, should never by itself be assumed to be an indicator of consent.
